### INTERNAL REVIEW APPLICATION OUTCOME

Thank you for your application for an internal review of Trades Recognition Australia's (TRA) opinion formed on your original skills assessment.

After consideration of your review application, TRA has overturned its original opinion. Accordingly, your application for a skills assessment has been successful. For the purposes of the skills assessment component of the migration process, your occupation is:

Hairdresser [4931-11]

If the occupation shown above is not the occupation you requested recognition in, it is because you could not satisfy recognition requirements for that occupation. The attached Application Assessment and Quality Assurance sheet sets out TRA's reasons for its opinion in relation to your review application and indicates whether or not you will receive a refund of your review application fee.

If your migration application is successful, please note that on arrival in Australia, you may be subject to further testing, assessment or State Government licensing or registration requirements depending on your occupation and where you choose to live and work. TRA does not administer this process. The contact details for these authorities are enclosed and I encourage you to find out about these requirements before you migrate to Australia.

I note that this letter is not a qualification nor does it represent formal accreditation of your skills and experience. Please keep this letter for your immigration application.

Yours faithfully

Skills Assessor

**PRE-MIGRATION SKILLS ASSESSMENT APPLICATION OUTCOME**

Thank you for your recent application for a skills assessment of your training and/or work experience for the purposes of migration to Australia. I wish to advise that the assessment has been completed taking all information into account and that your application was unsuccessful.

The attached Application Assessment and Quality Assurance sheet sets out Trades Recognition Australia's (TRA) reasons for its opinion in relation to your application for skills assessment.

As your skills assessment has been unsuccessful, you may seek an internal review of TRA's opinion. TRA's policy is that applications for an internal review must be received by TRA within 60 days from the date of this letter. Before you submit an internal review application, you may contact me to obtain feedback by phoning the TRA National Enquiry Line on: +61 2 6121 7456 or e-mailing [traenquiries@dewr.gov.au](mailto:traenquiries@dewr.gov.au).

I note that if you wish to have an internal review of TRA's opinion, a review fee of AUD\$300 is payable. Please note that should this internal review overturn the original opinion formed on your skills assessment, and the information on which the new opinion is based was previously held by TRA, your internal review application fee will be refunded.

If you are seeking a review, please complete the details in the box below and return this letter to TRA together with any new information you wish to supply in support of your review application.

Yours faithfully
