Ms Huang

Dear Ms Huang

On 16 November 2010 you were notified of the intention to consider cancellation of your class/subclass TU-573 Student visa granted on 28 February 2008. You replied in a letter dated 30 November 2010. Your comments were taken into account in making this decision.

I have decided that there is a ground for cancellation of your visa under section 116(1)(b) and section 116(3) and regulation 2.43(2)(b) of the Migration Act 1958 because Sydney Institute of Business and Technology Pty Ltd on 15 November 2010 certified you for course Diploma of Business Administration (52 weeks) as not achieving satisfactory course progress.

However a decision has been made not to cancel your visa because DIAC has received further information regarding this matter.

Your visa therefore continues to provide you with permission to remain in Australia until 15 March 2012.

Please note that if further information comes to notice cancellation of your visa may be reconsidered.

Yours sincerely
